The petition to revive under 37 CFR 1.137(b) filed 08 April 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statements herein and in the previous "Petition To Withdraw Holding Of Abandonment" are construed as the statement required under 37 CFR 1.137(b)(3), that is, a statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional." Applicants must inform this Office immediately if this is not a proper interpretation of applicants' statements. Based on this interpretation, the requirement of 37 CFR 1.137(b)(3) is considered satisfied.

Applicants have now submitted the basic national fee, and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the United States of America.

This application is being returned to the National Stage Processing Branch of the Office of PCT Operations for further processing in accordance with this decision, including the mailing of a Notification Of Missing Requirements (Form PCT/DO/EO/905) requiring submission of an

oath or declaration in compliance with 37 CFR 1.497 and the surcharge for filing the oath or declaration later than thirty months after the priority date.
